

**A Dietary Supplement That Promotes
Optimal Hoof Health, Growth & Maintenance**

INTRODUCING

Healthy Hoof™

**THIS ISN'T YOUR ORDINARY HOOF
SUPPLEMENT**

HEALTHY HOOF™

- Can Reduce the Negative Effects of Exercise that can cause soreness & pain.
- The only product on the market with Lamigard™®.
- Helps improve circulation in the hoof.
- Contains Strong Anti-Oxidants*
And BIOTIN.

Healthy Hoof™ is the latest addition from Equine Health Care Solutions. It is the only hoof supplement containing **LamiGard™**. Its unique formulation has been demonstrated to improve hoof health and aid in the recovery from diseases and injuries of the hoof and one of the most serious causes of loss of use and life in horses and ponies; **Laminitis**.

Healthy Hoof™ has been developed to provide optimum levels of the required nutrients for hoof health. With the addition of **Lamigard™** we have taken a significant leap forward in hoof supplements. Why wait for trouble when you can reduce the chance of having to deal with it.

Healthy Hoof™ is the ideal blend of ingredients to grow healthy hooves and provide preventive maintenance.

**Available from Wire2Wire Veterinary Products, LLC
1040 Hume-Bedford Road, Paris, Kentucky.
PH: 877 685-0371/859 987-9705**

Healthy Hoof™ Pellets

Healthy Hoof™ is part of the Equine Health Care Solutions family of products that are made to help improve horse's health, made with natural ingredients.

These include:

BUTEAMINE™ - A drug-free dietary supplement for use as an alternative to Pre-Race medications.

JointGard™ - Liquid and Pellets—for the growth and maintenance of strong, healthy joints and bones, containing nutrients comparable to GLUCOSAMINE · MSM · CHONDROITIN.

LamiGard™ - for horses and ponies prone to Laminitis.* Lamigard™ Paste and Pellets are proven drug free aids in treatment of Acute Laminitis and Prevention in horses with a history of or a predisposition to LAMINITIS and other painful hoof conditions. .

Tod Marks

Mojo paste - helps support the cardiac and pulmonary systems and provides calming during strenuous exercise.

Sooo Calm paste - helps reduce stress and improve performance in horses and ponies.

Healthy Hoof™ is a pelleted formulation of powerful Anti-oxidants, natural Plant extracts , DL-Methionine, Gelatin, Biotin, Chelated Zinc and supportive nutrients. Healthy Hoof™ Pellets help promote increased circulation for removing destructive toxins plus essential nutrients for accelerated hoof growth.

Feeding Instructions for Healthy Hoof: For an average 1,100 lb horse, feed 1 scoop, provided, (28.35 grams), daily with the horse's regular feed. Feed others according to body weight, less for smaller horses and ponies, and more for larger breeds.

Produced in the USA for Equine Health Care Solutions, LLC
6558 Fairview Road PMB #315 Simpsonville, SC29680.
